Freegal

Streaming and downloading free music and videos from the Sony Music catalogue has never been easier for library members!

Choose from millions of songs and thousands of artists to listen to for free. Once downloaded they are legally yours to keep, the files do not expire, are free of Digital Rights Management and can be transferred to iPods and MP3 players or burnt to CD.

- Download the free Freegal® Music app on the App Store (iPhone) or Google Play Store (Android)
- Search by country, then select Central Coast Library Service
- Enter your library card number and PIN (Date of birth as DDMMYYYY)

Mango Languages
Learn a new language for free with Mango!

Mango offers access to over 70 language courses for English speakers and 17 English language courses taught completely in the user's native language.

- Download the free Mango app through the App store (iPhone) or Google Play (Android)

- Open and create a profile by adding your email address and a password

- Scroll down to Access Near You (Find Mango) and click the Search button. Enter Central Coast Library Service. Enter your library card number when prompted

- Select from one of 70 plus languages to learn

eBooks and eAudioBooks

Members have access to thousands of eBook and eAudiobook titles at their fingertips that can be borrowed anytime with no reservation fees.

After the loan period expires the item is automatically returned and will simply disappear from your device. You can return it earlier to borrow more items sooner.

Follow these steps to start reading or listening today.

BorrowBox

- Download the free BorrowBox Library app on the App Store (iPhone) or Google Play (Android)
- Enter library name – Central Coast Council
- Barcode – is your library card number (include upper case V or C followed by numbers) and PIN (Date of Birth as DDMMYYYY)
- Navigate through tips or select skip to go straight to borrowing
- Browse collection of eBooks and eAudiobooks or search a specific title/author
- Select borrow and confirm loan
- Go to My Loans and download to read or listen anywhere without WiFi – you can also elect to have future titles download immediately when in WiFi

BorrowBox provides great download speeds, speed options for eAudiobooks and features a sleep timer function so you'll never lose your spot.

Research Databases and other eResources

A wide range of authoritative and recreational databases are available to all Central Coast Library Service members. From Britannica Online to international newspapers, there is something for everyone.

Most are available from home, just use your library card number to log in. Please note: PINs/Passwords are automatically defaulted to your birthdate - DDMMYYYY.

Take a look at the wonderful selection available today!
centralcoast.nsw.gov.au/eresources

eMagazines with RBdigital

Access a huge range of magazine titles that once downloaded to your device can be read anywhere, anytime, even without access to WiFi. There is no limit to the number you can download and best of all it's free, meaning you'll never have to pay for a magazine subscription again.

- Download the free RBdigital app at either the App Store (iPhone) or Google Play Store (Android)
- Click 'Not a Member? Register Now'
- Choose Australia from the scroll menu, select Central Coast Library Service and enter your library card number
- Create a username (choose something you will remember, such as your email address)
- Fill in your personal details and register

Libby, by Overdrive

Overdrive's new app allows you to consolidate all your loans, holds and reading history from multiple library services in the one space. Positions, bookmarks and notes are kept in sync across all devices.

- Download the free Libby app on the App Store (iPhone) of Google Play (Android)
- Open and follow prompts
  - Do you have a library card? Yes
  - Search Library – Central Coast Library Service
  - Sign up with library card (include upper case letter followed by numbers) and PIN (DOB as DDMMYYYY)
  - Enter the library tab
  - Browse collection or enter specific title/author search
  - Select borrow
  - Go to shelf and download the item onto your device, making it available to read or listen to when not in WiFi
