

PLATTSBURG Public School

festina lente—hasten slowly

25 June 2020

Plattsburg Public Annual Junk Sculpture Competition

It is that time of year again - time to collect all your recyclable goods and turn them into a sculpture of a Curious Creature. Students are encouraged to collect and reuse household items such as boxes, tins, plastic bottles and egg cartons etc.

Your sculpture needs to be completed and brought to school on **Friday 31st July** (week 2). *Due to current Covid-19 guidelines, students will be required to carry their own junk sculptures into school without adult assistance.*

Sculptures are to be taken directly to the school library between 8:30am - 8:50am on this day. Please note sculptures **will not be accepted before this date**. Please do not place your child's name on the sculpture to ensure objective judging.

Prizes:

There will be a prize for the best infant and primary sculptures. Winners will be announced during Education/ Book Week celebrations the following week.
