

HOMEWORK

Online

27 July, 2020

Dear Parent/Carer,

In response to recent Parent/Carer feedback, the teaching staff at Plattsburg PS would like to offer **Homework Online** as an additional option to current Homework arrangements. This will mean that you will be able to access your child's homework through Google Classrooms. Of course, at Plattsburg PS, parents/carers have the flexibility to decide whether or not their child/children commit to class homework activities.

As with Distance Learning, students will be able to log in to their Google Classroom, complete and submit completed work.

If you are interested in opting in to Homework Online please complete the note below. **Paper copy homework will be available as usual and will be similar work as that contained online.**

If you elect to participate in homework activities (online or paper) it is important to understand that all tasks need to be completed independently by the student. If your child is unable to complete the homework without assistance please ensure you communicate this to the class teacher.

A full copy of the Homework Policy can be found on the school's webpage:

www.plattsburg-p.schools.nsw.gov.au
