

***Tell Them From Me* parent survey: Information for parents and carers**

Dear Parents and Carers

This term, your school is taking part in the *Tell Them From Me* parent survey. The survey will provide us with valuable feedback on our parent's/carer's perceptions of their child's experiences at home and at school. Schools in Australia and around the world have used the *Tell Them From Me* survey to help them improve. The survey is completed on-line and is run by an independent research company, **The Learning Bar**, which specialises in school-based surveys.

Staff in schools will **not** be able to identify individual parents/carers from their responses. To ensure confidentiality, participating parents/carers will be able to complete the survey at home by going to <http://nsw.tellthemfromme.com/kingswoodps20>. The survey typically takes 30 minutes or less to complete. Once the surveys are completed by parents/carers, reports are prepared and in most cases are available to schools within three business days.

This survey will help your school better understand how to improve student wellbeing and engagement. It will help the school identify what works to improve student outcomes.

Participating in the survey is entirely voluntary. If, during the survey, you feel uncomfortable, you can choose to stop the survey at any time. The majority of questions in the survey can be skipped.

More information about the survey and the research is available in English on the CESE website: <http://surveys.cese.nsw.gov.au/information-for-parents>.
