

From the Red Letterbox

CONGRATULATIONS!!

BEST KISS AND COLLECT EVER SEEN!!!!!!!

Ranger Andrew was at BHPS yesterday watching how parents, teachers and kids all worked together for our afternoon Kiss and Collect Session. He has been a ranger for 18 years and he said that the way that we have organised the Kiss and Collect at BHPS is the smoothest and quickest that he has ever seen!

He was very impressed that teachers were outside moving up and down the pathway to connect students back with their parents.

He was also impressed that parents drove up as far as they could along the Kiss and Drop area and were not causing traffic hazards.

A BIG thank you to all parents who were very accommodating when we asked you to "do a lap and come back". Ranger Andrew made it very clear that No Stopping means a 2 minute time limit to get your child in the car. If you arrive before your child, then a "lap" is the best solution to avoid receiving a fine or losing 2 points on your licence.

Ranger Andrew looking to see how BHPS are getting along with Kiss and Collect.

WAYS TO AVOID HAVING TO "DO A LAP"

If you have a student in Year 3-6 and you often arrive BEFORE your child, maybe reset your arrival time to BHPS to 3.05pm. If you arrive before 3pm, the bell hasn't rung yet – so maybe delay your arrival to 3.05pm and you won't have to "do a lap" waiting for your child.

A Big Week for Visitors

A Police Officer also visited this week during Kiss and Collect time. He was mostly impressed with teachers, students and parents and how we all moved outside the school.

*He was a bit concerned with parents who use the school driveway to do a U-Turn as it's a heavy traffic zone at 3pm and is not a safe place for turning at that time.

Some smart Bike Riders

It is so great to see MANY children riding to and from school with their helmets firmly attached to their heads – Great Job Kids!!

Let's keep up the great work BHPS team
