# 2019 Education Program

## Folio Starter

A week long intensive with leading teachers and artists for pressure free folio experimentation.

Set yourself up for a year of VCE success with leading teachers and artists who will facilitate VCE level experimentation with textiles, printing, collage and a range of other mediums you might not be game to try during term.

All finishing with a chill afternoon of fun, food and collage with inspirational artist Minna Gilligan

## Art Party with Minna Gilligan

VCE students get a head start on your folio during the school holidays with a fun art party. Hear from Melbourne artist, Minna Gilligan, about her practice and career as an artist followed by a collaging workshop in which Minna will help you get the creative juices flowing for a new year.

Minna Gilligan works primarily with painting, drawing and collage. Her practice speaks of fleeting, personal encounters with the past and present, and manifests in a tumultuous reconciliation of both. Her works are playgrounds of colour, reference 1960s/ '70s psychedelia, and evoke a nostalgic romanticism - existing in a utopian space of imagery filtered through the digital realm.
