

# STAGE 3 NEWS

Another week nearly gone in this very busy term!

Next Wednesday, Year 6 will be setting off for the highly anticipated Great Aussie Bush Camp. There is much excitement buzzing around, especially since we thought camp might not go ahead this year.

Stay tuned for photos!!!!

On Wednesday our Year 5 cohort will be competing in the annual Dancesport competition. Due to COVID restrictions the children won't be able to compete at Homebush this year. However, Gordon Gilkes (founder of Dancesport Confidence) has come up with an alternative solution. All Year 5 children will have the opportunity to showcase what they have learnt over the past 15 weeks and Gordon will record them performing the Cha Cha, Tango, Salsa and Jive. The recordings will then be uploaded to a secure webpage where professional adjudicators will mark our school. The children are very excited about performing and did a fabulous job this week during our dress rehearsal.
