

# STAGE 3

# NEWS

This term continues to fly by and we find ourselves preparing for all of our end of year celebrations. Please make sure that you keep an eye out for any emails or notes that may come home as they will contain greater detail about events that are coming up.

The Year 5 leader candidates did a fantastic job with their speeches. Once all the votes are in and counted an announcement will be made so watch this space.

Our Year 6 students have been recovering from their busy time at camp and what a great 3 days we had.

Take a look below at all the pictures below.
