Changes to Special Religious Education and
Special Education in Ethics Participation Letter

A feature of the public education system in NSW is the opportunity to provide time in class for education in ethics, faith and morality from a religious or non-religious perspective at the choice of parents.

The school website https://harbord-p.schools.nsw.gov.au/ provides information on these options to support parent/carer choice.

To minimise the disruption to Scripture and Ethics classes, we can accommodate changes twice per year. **Students will continue the same arrangement as the previous year, unless a parent/carer has requested a change in writing.**

For more information about Special Religious Education (SRE) and Special Education in Ethics (SEE), including the list of approved providers, please visit: https://education.nsw.gov.au/teaching-and-learning/curriculum/learning-across-the-curriculum/religion-and-ethics
