

NAPLAN – Headphones Required 9th May Years 3 & 5

Dear Parents/Carers,

As you would be aware, NAPLAN is taking place next week. It is essential that Year 3 and Year 5 students bring their own headphones or earbuds to complete Spelling and Numeracy tasks.

Headphones or earbuds must be able to be plugged in using a 3.5mm audio jack. Students are not to bring in any Bluetooth headsets as they are not compatible with our computers.

An example of the headphones follow this link.
