

GYMNASTICS PROGRAM

Kindergarten to Year 6 will be participating in a gymnastics program in Term 3. This program has proved to be highly successful in developing the children's overall gross motor skills. Students will be taught by a trained gymnastic teacher, from Southern Canberra Gymnastics. Each class will have hygiene protocols in place, following both DoE and Sporting School guidelines. The equipment will be sanitised after each use.

The program will be split over 2 days with Stage 2 and 3 classes having lessons on Mondays and Early Stage 1 and Stage 1 on Friday. It will be an eight-week program beginning on Friday, 29th July. Each class will receive forty minutes of tuition. This will replace some of our normal sports program for the term. As we are using a professional instructor there will be a cost to parents of \$40.00 per student for this program.

Please sign and return the permission note below including payment by **Friday, 22nd July** (Week 1 Term 3). No cash or EFTPOS payments will be accepted. If you are having financial difficulties, please contact Anne Hull so that arrangements can be made.
