IMPORTANT INFORMATION ABOUT THE PELICAN FLAT RAINBOW DASH:

What is the colour made from? Does it stain? The coloured powder is made from 99% corn-starch and natural food grade dyes. We've been told it doesn't, but it's best to wear your old sneakers.

Will the colour stain my hair? The coloured powder does generally wash out of hair, however if you are concerned, rubbing coconut oil through hair prior to the event will help prevent colour attaching to the hair follicle. Oiling your hair before the run will help the colour wash out. If you're having trouble washing it after the event, bi-carb soda and anti-dandruff shampoo will help get the stubborn colour out!

Will the Colour ruin clothes or running shoes? The colour does wash out after the event. As with anything dirty, the sooner you wash it the better. We suggest wearing items that you wouldn't mind getting colourful.

How do I preserve those precious colours in my shirt?! If you would like to preserve the colour in your running shirt, spray it with vinegar, let it dry and then iron it. But if you wash it.... the colour eventually will come out.

Do you have "cleaning stations"? Students should BYO a towel to school. With a good dusting, you aren't 100% clean, but you should be good for the drive home. It is fun to see people still coloured up walking, riding and driving home from school.

How does the colour affect the inside of cars? Most people bring some towels for the insides of their cars, just in case. It's like driving home from the swimming pool in your swimsuit.

What's in it for the kids? Apart from sending the right message that running and playing outside is fun, kids get to know they are helping their school.

I collected money from friends, family, and neighbours, what do I do with it? Please return the form and money to school by 23rd September. Convert your coins into notes if you can, then bring those hard-earned dollars, sealed in an envelope, with students name clearly written and how much money is inside to the front office and place in the locked box. ***PRIZE FOR MOST MONEY EARNED!!***

We do not take any responsibility for costs associated with the removal of colour.
