

Student Mobile Phone Usage Policy

Introduction:

St Joseph's Primary School Chelsea takes the safe and responsible use of digital technologies seriously. The school acknowledges that we live in a technology-rich world where mobile phones are an important communication tool. Research has found that mobile phones and other devices can be disruptive in classrooms and open to misuse at school. The unregulated presence of mobile phones and other devices in classrooms can undermine students' capacity to think, learn, remember, pay attention and regulate emotion.

St Joseph's Primary School Chelsea has developed this policy and associated procedure to provide staff members, students, parents and carers with clear guidelines on mobile phone restrictions, exemptions and storage requirements at school.

This policy takes effect at the commencement of the 2020 school year and complies with the direction of the Victorian Minister for Education under [Section 5.2.1\(2\)\(b\) of the Education and Training Reform Act 2006](#).

Scope:

This policy applies to students and student mobile phones brought onto school premises during school hours, including recess and lunchtime.

Definitions:

Mobile Phone: is a telephone with access to a cellular (telecommunication) system, with or without a physical connection to a network. (DET 2020)

For the purpose of this policy, 'mobile phone' refers to mobile phones and any device that may connect to or has a similar functionality to a mobile phone such as smart watches.

Policy:

St Joseph's Primary School Chelsea discourages students bringing personal mobile phones to school. It does; however, acknowledge that some students may bring a personal mobile phone to school, particularly if they are travelling independently to and from school.

Mobile phones are not permitted for use at St Joseph's Primary School Chelsea during school hours:

- » Students who choose to bring personal mobile phones to school must switch them off and prior to the commencement of the school day.
 - hand them to their classroom teacher
- » Exceptions to this policy may be applied if certain conditions are met (see exemptions)
- » When emergencies occur, parents or carers should reach their child by calling the school's office.
