

Dear Parents,

We are enjoying working with Bungendore High as we prepare to transition students for 2023 and beyond. Melissa Giddens, the Principal of Bungendore High School, and her staff have organised an information day for all students in Stage 3. Students from Sutton Public School, Gundaroo Public School and Bungendore Public School have been invited to attend the event on Thursday, 10<sup>th</sup> November.

The day will consist of small group and independent activities that require students to develop skills that will support them as they prepare for high school. These activities will encourage students to work with high school style timetables and establish social connections with unfamiliar peers.

Bungendore High School have kindly organised a bus for the event so there will be no cost to parents or need for individuals to be transported independently. Students will need to be **at school by 8:50am to catch the bus** to Bungendore Public School. Students will return to school by 1:30pm and will continue with their day as usual. Any students who do not attend the event will be supported by staff who remain at school.
