PUBLIC EDUCATION: HAVE YOUR SAY

The world is changing and the future we're educating young people for will be different from today.

Our public education needs to adapt to this change to give our children and young people the best opportunity to thrive.

We need to be clear about what we're trying to provide for our students so we can measure whether we're achieving it.

As parents or carers of current preschool or school students, we want to hear what you have to say about how public education can support young people for the future, including what you think are the most important aspects and outcomes of public education.

Please complete our [parent and carer survey](http://education.sa.gov.au/carersurvey) (education.sa.gov.au/carersurvey). It takes less than 5 minutes, and your feedback will be invaluable.

Education impacts everyone – it's important we hear from as many people as possible.

We are also consulting with our staff, community members, stakeholders, local South Australian industry and employers and, most importantly, our students.

All students can complete a [student survey](http://education.sa.gov.au/studentsurvey) (education.sa.gov.au/studentsurvey). Please encourage your child to go online and have their say too.

All surveys and consultation will close on 17 March 2023.

For more information on the public education consultation, please visit the [Department for Education's website](http://www.education.sa.gov.au).

Thank you for getting involved. I look forward to hearing what you have to say.
