

Drummoyne Public School SEESAW School Guidelines

In joining us on Seesaw, the Drummoyne Public School community agree to follow the Department of Education's School Community Charter, Code of Conduct and Seesaw terms and conditions.

The following is a guide to engaging with Seesaw and Google Classroom.

Publishing Classwork and Photos

The frequency of classwork posted will vary for teachers depending on age of the students and grade. As a general guide, teachers are aiming to share two work samples each term.

Photos of students are included in Seesaw if the Department of Education permission to publish form has been completed each year. Students who do not have permission to publish will not be included in photos on Seesaw.

Images posted on Seesaw are not to be published in any other location (social media) if images contain students who are not your children.

Parent Communication

Seesaw and Google classroom are forms of non-urgent communication between parents and teachers. The first point of call for parents is your child's classroom teacher.

Class teachers will respond to any communication that occurs through these platforms within 48 hours between the hours of 8:30-4:00pm. Communication outside these hours is at the teacher's discretion. Please telephone the school office for any urgent messages.

Class teachers regularly monitor Seesaw and Google classroom and will remove comments that do not adhere to our policy. We reserve the right to remove comments that are racist, sexist, abusive, profane, violent, obscene, spam that advocate illegal activity, contain falsehoods or are wildly off-topic or that libel, incite, threaten, or make ad hominem attacks on Drummoyne Public School students, employees, guests or other individuals.

For Seesaw, the name and photo of parents and carers will be seen next to a comment, visible to all visitors. We do not allow messages selling products or promoting commercial, political, or other ventures on Seesaw.

Student Absences

The preferred method to communicate absences is a Skoolbag message, email to drummoyne-p.school@det.nsw.edu.au or phone 9181 2636, rather than via Seesaw. A medical certificate is required after the student has been away from school for 3 days or more.

Student Behaviour

Updates about student behaviour and extensive information about learning progress should be emailed to the class teacher or shared at a parent teacher interview.
