

PSSA 2023

Trials

Overview

Trials for the PSSA (Primary School Sports Association) netball and soccer teams will begin for our students in Stage 2 and Stage 3 in the last few weeks of Term 1. Training will begin in Term 2, students may be required to be at school early for training, more information to come! There will be a junior (Stage 2) and senior (Stage 3) team for both sports.

As places on teams are limited, students will be selected based on ability. Students may be selected as reserves.

Gala Days

Gala days are scheduled for Term 2 (netball) and 3 (soccer) but no dates have been confirmed as yet. There will be a cost for the bus to the Gala Day. Students picked for the soccer teams must supply their own football boots, long socks and shin pads. Students picked for the netball teams must have appropriate footwear. Both teams will be provided with a school playing shirt or bib.

Stay tuned

Announcements will be made during school hours to let students know when the trials will begin. Any questions please see Mr Hazell or Ms Setttee. If students are unable to attend trials they should contact Mr Hazell or Ms Setttee and inform them of their playing experience. Depending on experience, these students may also be considered for the team.
