

Genre — Spotlight on 'Fantasy'

Why do we read 'Fantasy' books? My favourite genre is 'Fantasy' because ...

... it has unicorns and fairies and lots of magical things which I love. My favourite animal is the unicorn. I love to use my imagination and writing stories about magical things. For example, my favourite book is The Magic Telephone Box. I love fantasy. Lucilla 5/6 Aqua

... it has magic and made-up characters. I love the mystery and fun things the characters do. I love the powers and magic the characters have. Chloe 5/6 Aqua

... anything can happen and it is enjoyable to "watch". Shae 5/6 Aqua

... it has mythical creatures and magic like fantastic beasts and where to find them. Cooper 5/6 Aqua

... I like to be able to ignore the real world and just be in the moment. I would like to see mythical creatures like flying pigs. Ella 5/6 Aqua

... you can set your mind on a beautiful world with one problem that is solved. I would like to see mythical creatures doing impossible things like a pig flying and animals talking and turning invisible. It's fun going into your imagination and blocking out anything bad in your mind and set a new world in your brain. Mackenzie 5/6 Aqua

... you can be very imaginative with what it is. I suggest a good book from this genre is Harry Potter.

... it involves magic. Corbin 5/6 Aqua

... because most of my books are Fantasy. I love it. Tia 5 Purple

... because most of the books I read are based on Fantasy. Ivy 5 Purple

... I love talking animals and magic. My all-time favourite novel is Harry Potter and the Chamber of Secrets where Harry discovers a secret passage and a snake. Ami 5 Green

... it's all made up of things like trolls and goblins. I like Harry Potter because it is full of mystery. Maya 5 Green

... it makes my heart race and dragons can be frightening. Sometimes it can be jaw-dropping when something that goes wrong becomes right. I love the phrases in fantasy books. Matt 5 Green

... it is magical and can take you to a different world. You can spend hours reading Fantasy. I love Harry Potter. Ella G 5 Green

... it is so magical and has magical animals. Kristie 5 Green

... I like animals and I have always wanted animals to talk. I have also wanted special powers. Leif 5 Green

... it is made up and anything can happen like pigs flying. It is also imaginative, engaging and interesting. I love How to Train Your Dragon.
5 Red

My Favourite Fantasy novel is Narnia because of the made-up animals that can talk. I also love the setting of the book that gives you an experience like you're in the story. It was written during World War II.

My favourite genres are Fantasy and Science Fiction because I love the mystery and anything could happen.
Hayden 5 Green

My ultimate favourite genre is fantasy. Fantasy is wonderful. You get lost in your dreams. I love this genre. I would recommend to all ages. My favourite fantasy book is Harry Potter. Everyone would love Fantasy.
