To all of the staff and students at Kingswood Public School

On behalf of all of the staff and students of Tathra Public School, I would like to extend a warm thank you to everyone at Kingswood Public School for your generous donation received following the Tathra Bushfires last year. We were truly overwhelmed by the support received from school communities near and far.

The community of Tathra is now recovering and rebuilding all that was lost during this tragic event. As part of the school's process of moving forward, last year students from Years 4, 5 and 6 created a beautiful book called *When the Fire Met the Sea*. The book is a reflection of the events of 18 March 2018 and the days, weeks and months following. The book has since been published and is available for sale.

We are very grateful for the support we received from you. As a small token of our appreciation, we enclose a copy of *When the Fire Met the Sea* for your school Library.

We thank you once again for your kind support.

Regards

Lisa Freedman
