

P & C Newsletter

P & C

On Thursday 19th Sept the P & C will be holding their tea and coffee stand while the disco is on. It was a success last term, so we are holding it again to support families standing around waiting for their child. Gold coin donation is all we ask. Many thanks for all your support.

Commonwealth Banking

Every Thursday the school has banking for the children to save for a goal for their future. During term 3 the P & C had some Commonwealth gifts to hand out. Each week 1 lucky banker was chosen and given a gift.

Winners so far are:

25.7.19	Muskaan
1.8.19	Moses
8.8.19	Anastasia
15.8.19	Yashita
22.8.19	Neel
29.8.19	Prince
5.9.19	Oliver

We still have a couple of weeks for this term, so if you bank each week you are in the draw. Good Luck.

Father's Day Stall

The Father's Day stall was a great success, hoping all children purchased something special for their fathers. The P & C made a profit of approximately \$700 which will go towards the new white board for the school. Thank you so much for your support for this event.

Panthers Raffle and winner

Thank you to all the people who purchased tickets in the Panthers signed jersey. This raised \$161 for the school. The winner was a friend who purchased a ticket from Raien – The Secretary of the P & C. I am sure the person who won was over the moon.

PLUSH (Pre Loved Uniform Shop)

Plush happens each Tuesday and Wednesday, all items for sale are in good condition, they have been washed and ready for sale. All items are a \$2 donation which goes towards the school for their needs. We are located on the verandah as you come in the gate, say hello to the lovely ladies who run this shop. They are always open for a chat. If your child has outgrown their uniforms and they are still in good condition, you can bag them up and leave them where the lost property is, we will sort and hang on our rack. Many thanks for your support in purchasing from our shop.
