

SPECIAL SWIMMING SCHEME
9th – 13th December 2019

4/11/19

Dear Parents,

The Department of Education’s Special Swimming Scheme is an intensive swim program which develops water confidence and provides students with basic skills in water safety and survival. The scheme is delivered over 10 lessons. Each daily lesson is 45 minutes. This year, we are combining the 10 classes to one week, which will mean that each day students will participate in two lessons.

Students, who are unable to swim 50m CONFIDENTLY unaided in deep water, are expected to participate in the Special Swimming Scheme. For swimmers who can confidently swim 50m, provision is made for stroke correction and building endurance. We have been allocated 52 places.

Lessons will take place at Trinity Aquatic Centre with qualified instructors. The scheme will occur over one week, with two lessons per day, commencing at 10am and finishing at 12noon.

We have been successful in our Sporting Schools Application and this has provided funding to drastically reduce what we will need to charge students. The cost for the **entire program and bus transport** is \$5 per student. This is a non-refundable activity.

We will send out a reminder note closer to the date with details about what to wear and bring for these lessons.

As we have 52 places, they will be allocated as notes are received, so please return your note as soon as possible in order to reserve a place.

Thank you.

Regards,

Lauren Currie
