

News from P&C

P&C Election

After the P&C AGM on Wednesday evening, I can congratulate the following people for being elected into P&C Executive positions.

Mr Bill Impey – President

Mr Luke Crump – Treasurer

Mrs Frith Bowmaker – Secretary

Congratulations and thank you to our P&C executive for continuing on in their roles from last year.

Position Vacant

This year, Kylie Harris was unable to continue the Canteen Coordinators role. The school canteen is a major source of revenue for the P&C and school. We thank Kylie for the amazing work she has done in managing the canteen and rosters, events and fundraising throughout her time on the P&C. In particular, I thank Kylie for proactively getting our canteen Healthy Canteen accredited. This is now compulsory in 2020, however it was great to make those positive decisions in support of our children's health earlier than required.

We are seeking expressions of interest for anyone, or ideally a small group of people, who would like to take over the Canteen Coordinators role. Kylie will be available to provide and support. Without this role, the canteen would only operate until the end of this term.

Meetings in 2020.

This year, we will hold two meetings per term. One will occur at 3:30pm on Wednesday in Week 4, and the other will occur at 6pm on Wednesday in Week 8. We hope this will enable some more families to get involved in the P&C.

Calendar of Events

Event	Date	Coordinator
Hot Cross Buns Fundraiser	Pick up buns on 7 th April	Looking for Volunteer
