Distribution of Orders

All orders must be distributed on Thursday 18th June.

Due to social distancing restrictions we cannot do pickups in the usual way, instead orders will be distributed as follows:

- If you are picking your child up from school on this day your order will go with your children to your car (if your order is large staff will help them).
- Families who have indicated that children are going home by other means or whose children are not at school will be contacted separately (phone or Care Monkey) to arrange staggered pick up/delivery of your order.

Orders can be placed through CDFpay only

If you are ordering for multiple people you can do separate orders under your name and there is provision to make a note of who the order is for.

Visit <https://stjohnskwr.cdfpay.org.au> or scan the QR code below to order online today!
