

MERREDIN and DISTRICTS JUNIOR FOOTBALL ASSOCIATION

Expression of Interest for 2020

As we shortly move into Stage 3 COVID restrictions, we are hopeful that football can soon commence. New guidelines and regulations will be released by the WAFC in the next few days, to help us map the return to football. Our new committee is meeting next week, to address how those rules will apply to our Club and how we can get our kids back on the oval.

To help us make those decisions we need an indication of how many players we will have this season. By returning this form you are not committing to play. You are simply telling us that you are keen to play. Your feedback will greatly help us to make decisions about how football will look this season.

We will share that information (fees, playing dates, length of season, new rules etc) with you as soon as we can, and you will then be able to make the decision to play or not, by registering via the usual process and paying your fees. At this stage we believe that Kidsport funding will still be available.

If you have any queries, please get in touch via e-mail or through our Facebook page. We can't wait to see you all back on the oval!

Daina Sutherland
MDJFA Secretary
