

Schools, sporting clubs, youth groups, and other organisations involved in supporting young people up to the age of 25 years, are encouraged to apply for a Murrumbidgee Youth Community Grant. Activities eligible to receive funding should be aimed at building resilience and positive mental health and wellbeing.

There are two funding levels, up to \$1,500 where a simple 250-word overview of the activity and a basic budget is required to apply. The next level is for grants of more than \$1,500 and up to \$5,000, which requires a 500 word overview and a more detailed budget and quotes. Application to approval of funding should take no more than two weeks. Grant applications close on Friday, 16 October 2020 or when funding is exhausted. All grant activities must be complete by 30 November 2020.

The initiative is part of Murrumbidgee Primary Health Network's (MPHN), Federal Government Empowering Our Communities funding to support mental health and wellbeing in the region's drought affected communities.
