

Stage 1 News – Year 1 and Year 2

Challenge Week!!

Every day this week Year 1 and 2 had two challenges to complete. One challenge was in class and one challenge was outside. For every challenge we completed we got points!

The people with the most points will win a prize!

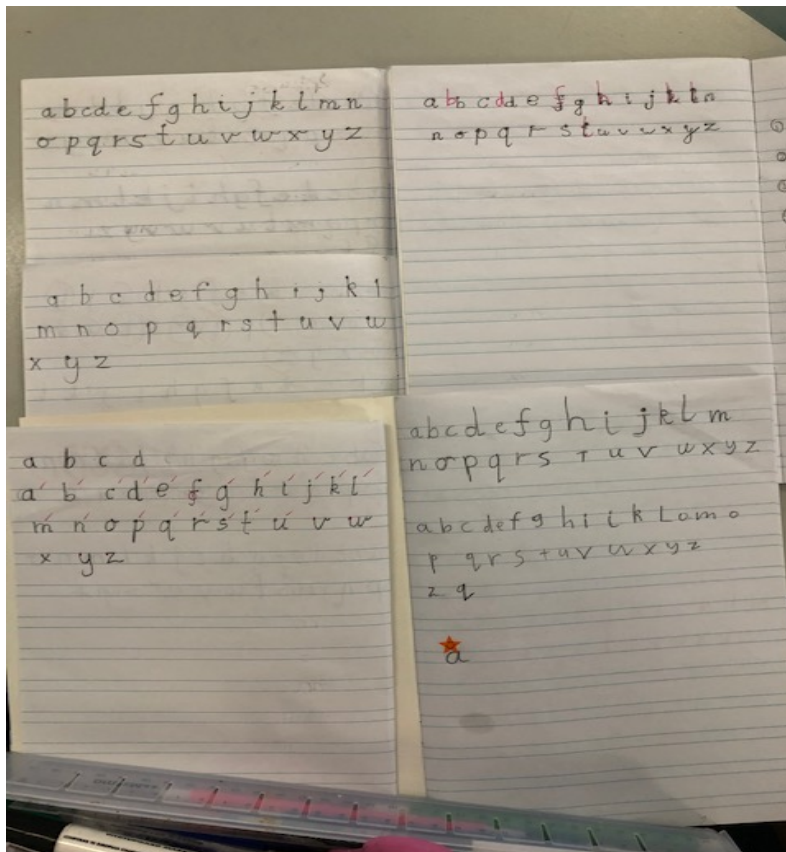

I wonder if it will a house colour that wins the prize?

I wonder if it will be a class that wins the prize?

Don't forget to ask us on Friday – WHO WON THE PRIZE??

Monday Inside Challenge

On Monday, our inside challenge was to write the alphabet as neatly as we could. We had to remember where every letter started and we had to write the letters up to/down to the correct height. We also had to make sure that we didn't flip any of our letters.

How do you think these kids did?

Pretty good!

Did you notice that they put little dots where they started each letter?

Monday Outside Challenge

On Monday, our outside challenge was skipping. We saw kids doing forwards skipping, backwards skipping, criss-cross skipping, one-foot skipping, and even closed-eyes skipping!

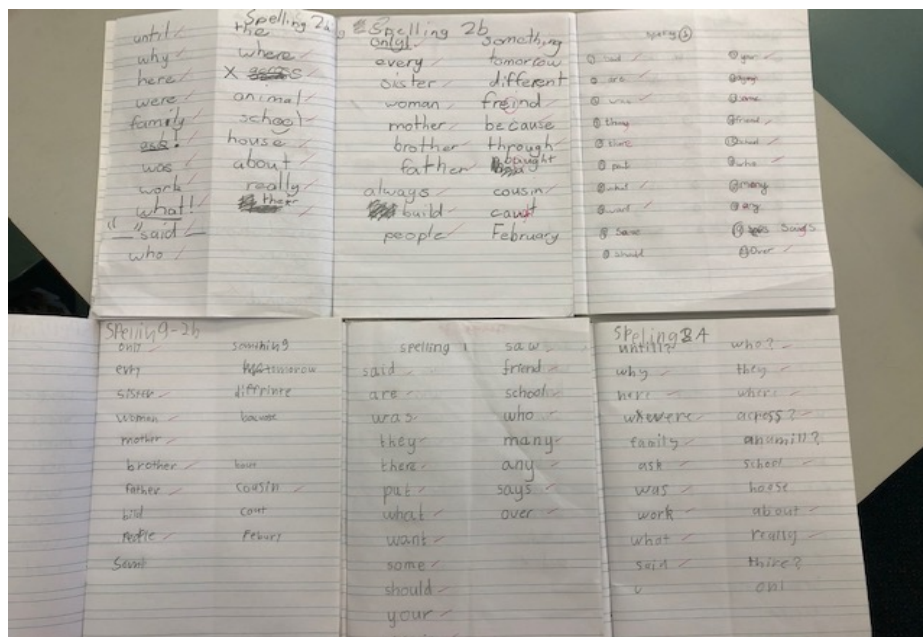

Awesome two-feet skipping.

Look at the impeccable timing – it's like a skipping dance routine!

Tuesday Inside Challenge

On Tuesday, our inside challenge was trying to remember how to spell a whole bunch of 'tricky words'. You can't sound these words out – so you just have to remember how all the letters go!

Tuesday Outside Challenge

On Tuesday, our outside challenge was basketball goal shots. Some kids used the basketball hoop, but some kids put actual hoops on the ground and bounced the ball in for their shots.

1, 2, 3 . . . SHOOT!!!

The boys are so proud of themselves!

Wednesday Inside Challenge

On Wednesday, our inside challenge was to try Mentals by ourselves with no help from the teachers! We had to read the question, work out what the question meant and then what the answer should be. It was pretty tricky!!

Look at our best concentration to answer all of those tricky questions!

Wednesday Outside Challenge

On Wednesday, our outside challenge was soccer goal shots. We all lined up on the oval and had a good try at kicking the ball through the goal, but it's actually really tricky!

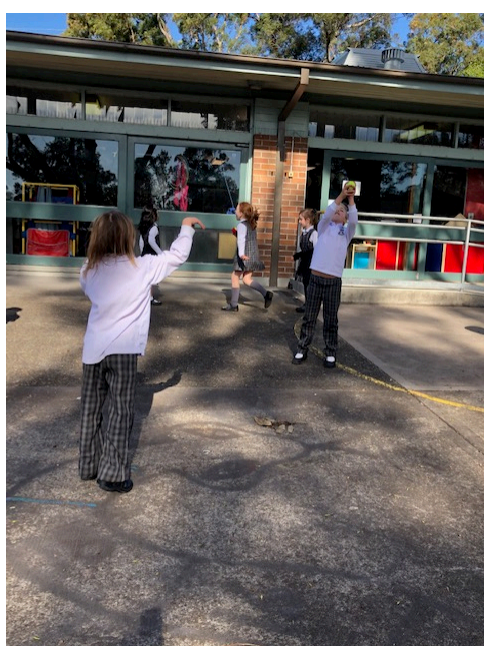

Thursday Inside Challenge

On Thursday, our inside challenge was to try our best in class! We had listen to the teacher, try our best and tidy up our chair bags and under desks. It was pretty tricky this week, but it's Week 10!!!

Thursday Outside Challenge

On Thursday, our outside challenge was throw and catch. We worked in a team to throw and catch a large ball, a medium sized ball and a tennis ball. Some of us tried overarm throwing and underarm throwing and we tried to catch with one hand, but it's actually really tricky!

WHAT A FABULOUS LAST WEEK OF TERM!!!
