

Stage 1 News – Year 1 and Year 2

Maths – Numbers

1M are just crazy about numbers this week! They even made a number find-a-word each and then gave it to a friend – who had to find all the hidden numbers. Some of the numbers were 7-digits long!! WOW!!

Let's find those numbers!

And numbers close up!!

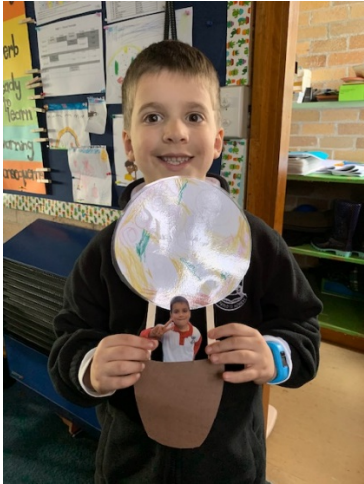

English and Art

Last week we read Arnie the Doughnut. Some classes couldn't stop talking about how much they loved Arnie. So, this week they had to make Arnie Art! Look at the paper plates as doughnuts. Do-not they look delicious!

More English and Art

Last week, the children in 1S were writing about hot air balloons. Well, this week they made an art work to go with their writing.

Nicholas

Chelsea

and Giacomo

In their hot-air balloons

Then, the children PUBLISHED their hot-air balloon writing and look at the end result . . .

Sonny and Robert are so proud of their hot-air balloon writing and art

Maths – Position

This week we have been learning about position (left, right, north, south, east, west etc). We decided to put all the skills that we learnt together and design a treasure map.

1st we had to draw a 2cm grid over the entire page. Then we drew on our island shape

Next we coloured the ocean and added all the “things” to the island (mountains etc)

This is what our treasure maps look like (nearly finished)

PDHPE – Skipping

We are getting so much better at skipping!!

Look at our arm control spinning the rope over our heads!

We will be skipping at the Olympics soon!!

WHAT A FABULOUS WEEK OF LEARNING!!!
