

Hello Everyone,  
 We hope you are doing well with our second term of home learning. As school leaders we have decided that to make home learning even more fun, each week we are going to choose a country and create some tasks for you to complete. We will include topics like Food, Art, Culture and Sport. Now for this week we have chosen...

## JAPAN

### Culture:

Over the years Japan has taken many ideas from other countries and brought it into their homes, but Japan still has many traditional things that people still use.

One of the many traditional cultures of Japan is women wearing dresses / robes called Kimonos.

### Food:

We have some delicious recipes lined up so why don't you have a go at some of these at home!

### Sport:

Japan is famous for two traditional sports, Sumo wrestling and Martial Arts. These two sports are fairly hard but are fun when you learn to do them properly.

This year Japan was going to hold the 2020 olympics in Tokyo but because of Covid-19 it was postponed until next year, 2021.

Some professional sports that Japanese teams are very good at are things such as, Baseball, Association Football (Soccer), Golf, Tennis and Sumo Wrestling of course.!

### Art: Origami
