

Hello students, families & staff,

My name is Vivian Lunt and I have been asked to fill an interim role for your School Support worker Melissa Lesu while she is on temporary leave.

I am also employed by Centacare Ballarat and permanently support two schools in the Moorabool Area – St Patrick's, Gordon and St Brigid's, Ballan.

My social work background has allowed me to work in many & various roles supporting children & parents within out-of-home care, family support programs and more recently within school communities.

I live with my family in Bacchus Marsh. My husband Peter & I have two adult children – Sarah is 19 years and is studying her Bachelor of Primary Education at ASU and our 21 year old son, Thomas is a member of the Australian Defence Force and is currently based in Townsville, Qld.

2020 has proved to be a challenging year for many of us and support of personal wellbeing and connection to community is critically important.

Due to our current circumstances and the need for remote learning, I will work from my home and be available for phone and email contact one day per week until the end of Term 3. Specific day and contact details to be advised via your school.

Please feel free to contact me with any support needs that you may have. I am very much looking forward to getting to know as many of you as possible and are feeling very grateful for the opportunity to step into your school community. ☺

Kind Regards

Vivian

School Support Worker
