

## Uniform Stall

Welcome to Balmain PS! The Balmain PS uniform stall is run by parent volunteers on behalf of the P&C, to provide a reliable and affordable uniform service for our school. All funds raised by the stall are used to support our school and buy resources for our children.

## Ordering

The attached page details the summer uniform options, and our suggested minimum initial quantities for new starters. All uniform items (including winter options) are available to order via our online stall:

Orders for new starters will be packed and left at the school office for collection. Once students have begun school, orders are packed weekly during school terms, and delivered to the student's classroom.
