
Mini-Mos Community Fun Run

The Schools Challenge

November 1-28, 2020

The Mini-Mos Community Fun Run is now in its 39th year supporting Mosman Public School and its associated charity [Take 3 for the Sea].

As part of our school community and many of you previous supporters of Mini-Mos we want to make sure you're engaged in the revised format and timing for this year's event. While the annual fair won't go ahead, the legacy of the Mini-Mos fun run will continue, including the Schools Challenge.

With community health and safety a top priority, the Mini-Mos team has created a specially designed fun run format:

- Registered runners have from 1-28 November to complete their 2km, 5km or 10km run.
- For a single low entry fee (\$15 for adults, \$10 for children) runners can complete any of the courses at any time in the event period, and as many times as they like.
- The 5km and 10km course is largely unchanged from 2019. The 2km course will be a safe new signposted route around Rawson Oval, Mosman.
- Runners simply enter their completed race time online using their unique registration number.
- In addition to prizes for fastest time, additional awards will include total kms completed and most improved time.
- The event has been approved by Mosman Council and has a COVIDSafe plan.

More details on the event, safety protocols and registration can be found at www.mini-mos.com.au.

2020 Schools Challenge - A chance to win an Assembly with a World Champion

We're excited to announce that the 2020 event will include a Schools Challenge, and we warmly welcome students at your school to participate. All students who register will automatically enter the Schools Challenge, as long as they nominate their school when registering. As a reward, the School with the most Mini-Mos entries will win an **Assembly at your school with World Champion Owain Matthews**. Owain Matthews is our Mini-Mos Ambassador for 2020 you can read about his amazing career here <https://owainmatthews.com>.
