Composite Levy & Booklist Arrangements for the 2021 School Year

Please find below details of Composite Levies for 2021. Composite Levies must be paid no later than Friday December 11th 2020.

The school has credit card & EFTPOS facilities available, as well as accepting cash and cheques. If you wish to deposit directly into our account, please see account details below.

Government grants cover only a small part of the total cost of books and materials so it is necessary to charge a composite levy for each child.

This composite levy will cover the cost of stationery, class sets of books, reading materials, excursions and resources for all areas of the curriculum. Administrative costs, including accountancy fees and general office expenditure, are also met within this fee.

Students in Years Prep to Two pay a book order levy. All items for these year levels are bought in bulk and will be distributed to your child/ren throughout the year. Years P-2 also attend a swimming program.

Students in Years Three to Six will be issued with a booklist from Lilydale Books. Order forms will be distributed to your child shortly. Booklist orders **must** be prepaid. Orders can either be collected from Lilydale Books or home delivered (fees apply). Students in these year levels also attend camp.
