

## 日本語

Japanese learning has been fun this term. We created Koinobori to celebrate 'Kodomo No Hi'. In Japanese club we made Onigiri (Japanese rice balls). Onigiri is really oishii (yum)!

R-2 classes learnt about their pets and 3-7 classes learnt about the school which includes classroom instructions, subjects, stationery items and making requests. We are also learning to read and write 'Hiragana'. Tanoshikatta desu! It was fun!
