

## NSW SCHOOL VACCINATION PROGRAM – SCHOOL NEWSLETTER TO PARENTS/GUARDIANS

Each year NSW Health works in partnership with schools to offer the vaccines recommended by the National Health and Medical Research Council (NHMRC) for adolescents as part of the school vaccination program.

In 2019 the following vaccines will be offered:

YEARS	VACCINE	NUMBER OF DOSES
Year 7	Human papillomavirus (HPV) vaccine	2-doses at least 6 months apart
	Diphtheria-Tetanus-Pertussis (whooping cough) vaccine	Single dose
Year 10	Meningococcal ACWY vaccine	Single dose

*Parent Information Kits* that include an information sheet, consent form and privacy statement will be sent home to you by your child's school. To consent to the vaccination of your child, parents/guardians are advised to:

- read all the information provided;
- complete the consent form, including signing your name next to each of the vaccine/s you would like your child to receive;
- return the completed consent form to your child's school;
- ensure that your child eats breakfast on the day of the school vaccination clinic.

Parents/guardians who wish to withdraw consent for any reason may do so by writing to the school Principal or phone the school. The Procedure for Withdrawal of Consent is available on the NSW Health website at [www.health.nsw.gov.au/immunisation](http://www.health.nsw.gov.au/immunisation).

To improve vaccination completion, students will be opportunistically offered any missed vaccine/s throughout the year where possible.

Please note that students who commence the HPV vaccination in school clinics in Year 7 but do not complete the course during the school year may be offered a catch-up dose at school in Year 8. Students who have their first HPV dose at their GP will be advised to complete the course with their GP.

**A Record of Vaccination will be provided to each student vaccinated at each clinic. You should ensure that this record is kept for future reference. Please do not assume that your child has been vaccinated if you do not receive this Record of Vaccination. Vaccination records will be uploaded to the Australian Immunisation Register (AIR) to provide a complete immunisation history for your child.**
