Dear Parent/Guardian,

I am delighted to confirm that the Active Kids program for 2019 is now open, allowing every parent with a school-aged child in New South Wales to claim the NSW Government's \$100 Active Kids rebate. This rebate will help families cover the cost of participating in sport and other approved physical activity programs.

The enormously successful first year of the Active Kids program saw families save more than \$54 million in children's sport, fitness and recreation activities.

Additionally, I am pleased to advise that, new for 2019 is the NSW Government's Creative Kids program. Parents will be able to use one voucher for every school-age child per year to help meet the cost of structured creative and cultural activities, such as music lessons, languages, coding, drama and theatre, photography and graphic design.

The great news is that the Active Kids and Creative Kids programs can both be claimed meaning parents can save \$200 for each school aged child.

Parents can claim their Active Kids and Creative Kids vouchers online at [www.service.nsw.gov.au](http://www.service.nsw.gov.au). If you would like to know more, please email [penrith@parliament.nsw.gov.au](mailto:penrith@parliament.nsw.gov.au) and write 'Active Kids' or 'Creative Kids' in the subject line and we'll send you information on how to get access to the voucher.

Yours sincerely,
