

ANZAC Ceremony 2022

Dear Parents and Carers,

It has been a long tradition at Plattsburg PS to take time and remember our ANZACs. In the past our families have shared images of the ANZACs from their families and we have woven these images into our ceremony. This year I am hoping to take the school to the War Memorial in Federal Park to conduct our ceremony on Thursday 7th April and would like to again incorporate images of your ANZACs.

The plan is for students to plant the picture of their ANZAC in the ground as part of our ANZAC performance. I still have the images of several families from the 2020 Remembrance Day Ceremony and will check in with you for permission to use them again.

If you would like to share an image of yourself and/or family member/ancestor please e-mail a scanned copy to the school or speak to Mrs Dyson in the office and we will scan it for you. Many of our families, in their search for photos, have discovered family history and then shared that with their kids.

Please do not hesitate to contact me if you have any queries. I hope you will consider sharing your family history with the whole school.

Ellen Bax

Principal

“ANZAC is not merely about loss. It is about courage, and endurance, and duty, and love of country, and mateship, and good humour and the survival of a sense of self-worth and decency in the face of dreadful odds.”

– Sir William Deane, Governor-General of Australia on ANZAC Day 1999
