

QLD PARENT/CARER ONLINE WORKSHOP

Join us for an online workshop where you will have the opportunity to listen, share and learn with parents and carers who support young people on the autism spectrum, from across Queensland.

During the online workshops, we will cover four topics:

- diversity of autism
- working together with your child's school
- understanding sensory processing
- understanding behaviour.

These workshops are part of a series of sessions but you can choose if you would like to register for each session or just the individual ones you are able to join.

**Please note that this is not a webinar but is an online workshop where we will work collaboratively together online across the sessions.*

Location:
Queensland
via zoom online
