

Massive congratulations to all our Grade 3 to 6 students for competing in the District Cross Country on Friday 13th May. The rain held off and it was a great morning to be out for a run/walk. It was great to see our students cheering on each other and supporting their peers to get through a challenging run.

Special congratulations to our top 8 finishers, as they are now off to compete in Yea at the Divisional Cross Country on Monday 6th June.
