

Pittwater House

Collaboration Competition

Term 2, 2022

*Coming together is a beginning, staying together is progress,
and working together is success* by Henry Ford

Competition Objective

Collaborate with 2-4 other people to use **recyclable materials** to create something which will **benefit** the environment.

Cross-Curricular links to TAS/Science

Deep Learning

Character — Proactive stance toward life and learning to deep learn – **To create meaningful solutions that impact your life and the world.**

Citizenship — Working interdependently as a team – **To make sure that all team members can contribute to your solutions.**

Communication — Pursuing and expressing novel ideas and situations – **To change problems into opportunities and develop solutions based on multiple perspectives.**

Competition Rules

1. This competition is open to ALL students from K-12.
2. Students can collaborate across grades and with other family members.
3. Your design must have a function and a purpose which will **benefit** the environment in some way.
4. Photo(s) of your creation is required.
5. A clear explanation of your creation and its function and purpose is required. This can be done in writing **or** via video clip.
6. All attachments must be sent via email to Ms James (Victoria.james@tphs.nsw.edu.au) by the deadline of **Friday 17 June.**
7. Students must include the full names and grades of every person in their group.
8. Be creative! The possibilities are endless.
9. A school certificate will be presented to the winning group for both the Junior and Senior school.
