**1:1 Technology Program – iPledge**

Dear Parents/Carers,

Welcome to the new school year, we look forward to another great year at Glengarry Primary School. As many of you are aware your child is in a 1:1 Technology class

Prior to students using their iPads in the classroom, parents and students must have returned their signed iPledge document to their classroom teacher. The iPledge, in conjunction with the iPad Guidelines, has been designed to enable students to use their iPads to enhance their learning in a safe, secure environment. It is also designed to help keep each device secure, working properly and used in a productive and appropriate manner.

All forms need to be returned to the classroom teacher by 10 February 2023.

Kind Regards,

Hannah Cole  
Associate Principal
