

The Premier's Reading Challenge (PRC) aims to encourage a love of reading for leisure and pleasure in students, and to enable them to experience quality literature. It is not a competition but a challenge to each student to read, to read more, and to read more widely.

The PRC is open for all NSW students in Kindergarten to Year 9, in government, independent, Catholic and home schools.

The challenge requires children to read a certain number of books depending on their age. After books are read (or 'read to' for Kindergarten to Year 2 children) **you or your child will need to enter the books on the PRC website using the child's unique log in code at <https://online.det.nsw.edu.au/prc/home.html>**. Please also refer to this website, click on the tabs for the rules of this challenge and the 'Book lists'.

Students can include any books read from the end of the 2022 challenge on their 2023 reading record. The PRC rules have been updated for the 2023 challenge. Students can now include up to 10 choice books on their reading records, and can count 5 books from an approved series as PRC books.

If help is required on how to do the Challenge or how to navigate the website and the answer cannot be found on the PRC Support site, please contact Elizabeth Bryant via email at [ebryant@parra.catholic.edu.au](mailto:ebryant@parra.catholic.edu.au)
