Mansfield & District

Are You Looking for Funding for a Community Project?

If a community grant is just what your organisation needs to make a great idea happen, the Bendigo Bank Community Bank Mansfield & District is inviting you to the **Community Impact Program Information Night - Monday May 1st, 6pm-7.30pm at the Mansfield Football & Netball Club Rooms.**

The Community Impact Program is an investment in the growth of a resilient, sustainable, and thriving Mansfield & District community. Focusing on five key areas to help build a strong community, they are looking to fund projects or initiatives that are founded around Leadership, Opportunity & Innovation, Wellbeing, Collaborate & Connect, Liveability.

Sponsoring projects and activities that offer clear public benefit to our community, the program aims to be nimble enough to meet the most pressing community needs in the short term, whilst addressing broader long-term community projects.

The Community Impact Program is made possible by the people who bank with Bendigo Bank's Community Bank Mansfield & District. They dedicate a portion of the bank's profits every year to reinvest back into the community that generated them. Locally owned & operated, so far they have contributed over \$923,746 to surrounding community groups, clubs and not-for-profit organisations. It's a unique model which has seen Bendigo Bank's Community Banks respected as one of the world's largest Social Enterprises.

Applications for funding will open Tuesday May 2nd and close Wednesday May 31st, and to be eligible to apply, all applicants must have attended the information session. To RSVP to the Information go to: <https://bit.ly/40dE4nR>
