

## National Road Safety Week

6 May – 12 May 2019

*Drive so others survive*

**National Road Safety Week** (NRSW), often known as Yellow Ribbon Week, runs from May 6 to May 12.

This week encourages all motorists to take care in areas where people are working in the road environment, like roadworks and school zones, as well as around emergency services personnel.

To promote NRSW and acknowledge 35 years of the School Crossing Scheme, **several local identities (celebrities) have volunteered to be School Crossing Supervisors on May 7 at your school** 😊

To show your support, **we are urging children and parents to walk to school and use the crossings next Tuesday morning May 7 to keep our celebrities busy.**

Yellow ribbons and other giveaways will be given to those taking part.

We thank your school community for ensuring that children in your area get to and from school safely.
