

# ST Mary's School Family Fun Fair

## Saturday 21<sup>st</sup> September 2019

Our School Fair is the key fundraiser for 2019. For this to be a success we need a group of parents willing to help coordinate this amazing day! If you are keen to be in charge of any of the following stalls/activities please place your name or you and a friends name down and return back to the school ASAP. There will be others rostered on to run them on the day But you will be the person/persons in charge of organising the stall or activity, setting up and pricing etc.. If there is not enough support from the school community we will not be able to run the day. Please feel free to contact me with any queries or ideas for stalls that you may have. ([stmarysschoolfair@yahoo.com](mailto:stmarysschoolfair@yahoo.com)) Lets make this 2019 fair one to remember!!

Thank you!
