WORLD OF MATHS ROADSHOW INCURSION

Numeracy is one component of our curriculum, and to support making numeracy fun and relevant to our students, we have arranged for the World of Maths Roadshow to visit our school. The World of Maths Roadshow is an ideal opportunity for students to see how maths is applied to some real-life situations.

More importantly, students will be engaged in hands-on activities that will cater for all ability levels and probe their problem-solving skills. It is a highly engaging session which will show the children that Maths can be fun!

For more information, to view a video of a session in action, and read testimonials from schools, visit the website www.worldofmaths.com
