SECONDARY SCHOOL SEMESTER ONE REPORTS

Dear Secondary School Parents,

At Torrens Valley Christian School, we value communication between school and home. One key avenue for this to occur is through the Semester Report.

The staff have a strong commitment to supporting students in their academic, social and emotional development and we value the partnership we have with parents. I would like to take this opportunity to commend all our students on their efforts and achievements so far this year.

The school is considering moving towards a full e-Reporting process for Secondary School in the future and, as part of a trial of the effectiveness of this process, Secondary School families will have access to 2019 Semester 1 Reports in electronic form. These reports will be available on the afternoon of Tuesday 2nd July via *SEQTA Engage* only unless otherwise requested. All families should have a log in to SEQTA. For any families having difficulties logging in please contact Reception.

We recognise that families may prefer a hard copy of their child's report, and printed copies are available from the school on request.

There will be no change to the process for Semester 1 Primary School Reports which will be sent home in printed form with students on Tuesday 2nd July.

Your feedback in relation to these changes is important so that we can continue to provide effective communication and build on the services we are providing to your family.

If you have any questions regarding the student report process, please don't hesitate to contact me at school anytime.

Yours sincerely,

Julie Prattis

Principal
