

Speech Pathology – Parent Information Evening

TALKING – SAYING SENTENCES – SOUNDS – LISTENING – UNDERSTANDING INSTRUCTIONS – SOCIAL SKILLS –

We would love to invite you to a relaxed and informative session at our Rockhampton Catholic Kindergartens with a local Speech Pathologist.

TOPICS:

- What speech, language, literacy, social and play skills should my child have? (Ages 3-5)
- What should my child be able to say, express, listen to, and understand?
- Why is it best to 'get in early' rather than 'waiting and seeing'?
- What 'red flags' should I be aware of?
- How can I help my child to develop at home?
- What ways can I help my child get ready for Prep?
- What supports are available?

If you would like to know the answers to these questions (or others you may have), we welcome you to attend this free information evening.

Location: St Joseph's Kindergarten
Park Avenue
