

ROCK OF AGES GETS YOU ROCKING!

WOW is the first word that comes to my head! A MASSIVE thank you to the St Patrick's Drama department and the Music department. I bet I'll have all those FABULOUS songs stuck in my head ALL NIGHT! I was EXTREMELY excited and so was my teacher! I would especially like to thank Briana, who played Lonny Barnett, Wonderful American accent. I Seriously thought you were American!

Ben who played Franz Klinneman, LOVED your German accent. You sounded like a true actor. Jamelee who played Anita Bath. Your SASSY attitude was my type of attitude!

Alexander who played Drew Boley. WOW. how could you remember ALL THOSE LINES?

Natalie who played Hilda Klinneman. I was blown away with your acting skills!

Marrisa who played Sherrie Christian. You have the most SUPERIOR voice ever!

Gabriella who played the mother, Waitress and a groupie. I can't believe that you managed to play all those roles!

The PHENOMENAL dancers were so entertaining and breathtaking! However without the costume department the glitter and glamour would make people resist looking away.

A SENSATIONAL job well done by the band. Without them, we wouldn't have had that ROCKIN music!

Also the lighting & sound crew. Yes the lights blinded me but they were SENSATIONAL. You couldn't take your eyes off the musical. Lights coming from everywhere! Sound coming from everywhere!

Without the backstage crew, Ben and Natalie wouldn't have come out on the scaffold and all of the decorations and props wouldn't have been involved.

This was OBVIOUSLY the highlight of my day and will stay in my Year 6 memories FOREVER.
