Chicken Champions – Expression of Interest

Dear Parents / Carers,

School Parliament is in the planning phase of introducing chickens to school.

Understanding that the chickens will require care and maintenance outside of school hours, we are asking students to express an interest in volunteering to help clean the chicken coop and feed the chickens during the weekends and over the holiday periods.

The students and families charged with this responsibility will be known as Newport's *Chicken Champions*.

As well as the students being interested and committed, we need to know that you are willing and able to support them in their role.

The amount of interest we receive from students and their families in being *Chicken Champions* will inform our planning.

We foresee, that *Chicken Champions* will work on a rotational basis, however the role requires a commitment to care for the chickens during weekends and through all school holidays including the extended break at Christmas.

If your child is interested, please discuss the commitment of responsibility involved, complete and return the slip below to the office.

Kind Regards

Josh and Pearl

School Parliament Ministers

Chicken Champions – Expression of Interest

My Child/ren and I have discussed the commitment of responsibility involved in being *Chicken Champions*.

We are happy to care for the chickens on a rotational basis during weekends and through all school holidays including the extended break at Christmas.
