Who can be in the photo?

Usually we photograph Mum, Dad and Children, however we can include Grandparents, Cousins or any family members requested.

How much does it cost?

\$15 booking fee, payable to the school (non refundable).

You will receive a glassed and framed 20 x 30 cm family portrait on the photo viewing day.

What does the school receive?

Every \$15 booking fee that is paid by each family goes directly to the school. For example, if 40 families book sittings, the school will receive 40 x \$15 = \$600.

How many photos are taken?

Multiple poses are photographed on the day and may vary depending on the relatives who attend.

What if we are late?

Depending on how full the day's bookings are, you may miss out. We ask all families to be punctual as booking times are fixed.

How do we collect our framed family photo and view the extra photos?

You collect the framed family photo, plus have the opportunity to view and purchase any additional photos you may like. An adult must be present for collection. If you cannot make the viewing day, please notify us on the day of the photo shoot to make special arrangements. Please feel free to bring other relatives whom may be interested in purchasing the photos.

Any purchase of additional photos can be made on the photo viewing day by cash or credit card. There is no obligation to purchase any additional photographs.

What do I wear?

Anything you feel comfortable in although subtle colours & simple patterns work best.
